Account Alerts

[!-\$NAME\$--]

Not only do you get [Completely Free Checking^{SM3}](#) with Capital One[®] Bank, you also get added security features to protect your account. You can be confident that your account will be kept safe with our security benefits:

- [Debit Card Fraud Monitoring](#)—We protect your account from fraudulent activity. You're not liable for unauthorized signature-based purchases.
- [Advanced Online Security](#)—You can know your money is protected online, with added log-in security and zero liability for unauthorized online purchases.
- [Account Alerts](#)—Receive immediate account alerts by phone, e-mail, or text message so you'll always know where your money stands.

All of this security is yours, plus **you won't pay any ATM fees** anywhere in the world if you keep a \$1,000 average monthly balance.⁴
